RE: Suffolk County Industrial Development Agency
(Canon U.S.A. 2024 Facility)

NOTICE AND REQUEST FOR INFORMATION

Messrs. Liebman and Himmelstein:

The Suffolk County Industrial Development Agency (the "Agency") currently provides financial assistance to Canon U.S.A. (the "Company") in connection with the renovation and equipping of the Company's American corporate headquarters located at One Canon Park in Melville, New York (the "Facility"). In furtherance of such financial assistance, the Agency took a leasehold interest in the Facility pursuant to a Company Lease Agreement dated as of February 1, 2024 (the "Company Lease") by and between the Agency and the Company, and simultaneously leased the Facility back to the Company pursuant to a Lease and Project Agreement dated as of February 1, 2024 (the "Lease Agreement") by and between the Agency and the Company.

In Section 8.11 of the Lease Agreement, the Company agreed to maintain at least one thousand eighty-one (1,081) full-time employees at the Facility during the term of the Lease Agreement, which employment commitment is an essential condition for the financial assistance the Agency authorized for the Company. It has come to the Agency's attention that the Company may not be in a position to meet this employment commitment in the current year and in future years. Given the Agency's commitment to the tax payers of Suffolk County, the Agency would like to be closely informed on the ongoing status of employment at the Facility.

Pursuant to Section 8.5 of the Lease Agreement, the Company agreed "to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs the Agency reasonably deems necessary" within thirty (30) days following written request from the Agency for such information. The Agency hereby requests that going forward, the Company provide the Agency with quarterly reports stating the number of full-time employees at the Facility (including the NYS-45), commencing with employment figures as of the end of March 2025.

We remind the Company that any sale or closure of the Facility and/or departure of the Company from Suffolk County would constitute an Event of Default and a Recapture Event under the Lease Agreement. The Company agreed in the Lease Agreement to provide the Agency with written notice within thirty (30) days of notice of any facts or circumstances which would be likely to lead to a Recapture Event or constitute a Recapture Event under the Lease Agreement.

Very Truly Yours,
